2. Attendance is required at full-team meetings (approximately one every quarter, the second Wednesday of each month but subject to change with advance notice). Note: team members must attend at least 3 out of 4 team meetings in order to fulfill the requirements of the contract. Team meets are usually held at Inside Out Sports in Cary, NC.
3. Attendance is encouraged at one team training session per week.
4. Team members must participate in at least 3 NCTS Races per year OR two NCTS races plus either one USAT-certified National Championship or any triathlon, duathlon, or aquathlon World Championship. Team members must race in the team uniform in order to meet this requirement, unless race requirements dictate otherwise (e.g., Team USA members must wear the Team USA kit for age group World Championships). Special uniform requests (e.g., for pro athletes with other sponsors) must be presented to the Board for approval.
5. Special accommodations may be made for professional athletes at the discretion of the board. This includes, but is not limited to, uniform printing, race requirements, reimbursement and other contract requirements.

Team apparel is to be worn before, during and after races while at the venue, including on the podium. Team members will not be reimbursed for races in which the team uniform is not worn. Additionally, team members are encouraged to wear team apparel as much as possible while training.
5. Team members must participate in 2 volunteer activities during the year in order to support the local community. Team members may choose from the Board-approved list of opportunities that include clinics, Swim for Smiles kids' triathlon,

Adopt-A-Highway, and other events. Alternatively, team members may choose their own volunteer activities and submit them for Board approval.

6. Team members are expected to write race reports and/or blog entries for the team website.

7. Team members who do not meet the contract requirements may not be invited to reapply for the team the following year.
